Kentucky Office of Homeland Security (KOHS)
Kentucky Division of Emergency Management (KyEM)

Special Notes:

A MINIMUM of thirty (30) advance student registrations is REQUIRED and must be received by OCTOBER 4, 2010 in order to provide these CDP-sponsored courses. Maximum # of student seats available for each course is fifty (50).

Pre-requisites include ICS700, ICS800, ICS100 and ICS200. Copies of these course completion certificates must be provided on or before beginning of class on October 25, 2010.

Course Descriptions:

ICS300 is intended to serve as a vehicle to share proven Incident management strategies and practices as well as to enhance teamwork and coordination among the agency's mid-level managers and command staff directly responsible for emergency response to incidents of all types in which the Incident Command System (ICS) will be employed. The course utilizes scenarios and exercises to highlight key issues and facilitate discussion. The concluding tabletop exercise is intended to allow participants to apply the information provided during the course in a controlled environment.

(more)

ICS400 is intended to serve as a vehicle to share proven incident management strategies and practices as well as to enhance teamwork and coordination among all response agencies' officers directly responsible for emergency response to a WMD/terrorism incident or other "Incident of National Significance". The course is specifically intended for those emergency response personnel who have duties that require that they be directly involved in incident management or command at either a "field" Incident command post (ICP) or in a city, county, or regional emergency operations center (EOC).

Registration:

Registration application for the course can be completed using the attached student registration forms or via the KyEM website: <http://kyem.ky.gov/training>

Travel, per diem and room expenses are the responsibility of the student.
